

Corcentric Hosts New Live Webinar on AP Automation Solution

(1888 PressRelease) Latest Accounts Payable Webinar explains the key questions for finding the right AP automation solution; Wednesday, July 15 at 2:00 Eastern Time.

McLean, Va. - Corcentric, a leading provider of accounts payable automation and electronic invoicing software, announced today that it will host an Accounts Payable Webinar, "7 Key Questions to Find the Right AP Automation Solution," on Wednesday, July 15, 2015 at 2:00 PM ET/11:00 AM PT.

Hosted by AP automation industry leader Rob DeVincent, Vice President of Product Marketing at Corcentric, Webinar attendees will learn how to:

- Identify the right delivery model for an organization's needs
- Assess vendors AP expertise and support capabilities
- Find a solution that's right for today - and for the future
- Create a shorter shortlist enabling a quicker and right decision

Attendees who are currently looking to shortlist or evaluate a new AP automation software solution will benefit from DeVincent's 20 years of industry experience. By knowing the critical questions that need to be answered, organizations can be more efficient in making decisions that save not only time, but money.
